ShareLife Sunday collections take place this weekend, celebrating 50th anniversary

Today is our third weekend of special collections for ShareLife Sunday. Reverence for life at all stages has been a core principle of ShareLife since its founding in 1976. We recognize the sacredness of life from conception to natural death. ShareLife-funded agencies uphold this value in everything they do, bringing hope, healing, and compassion to those who need it most.

This mission of love is witnessed at Rose of Sharon, where Executive Director Deanne Kukulewich gratefully notes that "your commitment to ShareLife is an investment in young parents and their futures, fostering a community where everyone has the opportunity to thrive."
