18th Sunday of Ordinary Time

In the Gospel, God shows his loving care by providing for the needs of his people in practical ways. Consider one way you might be able to accompany

others going through periods of challenge or trial by providing practical help. This might look like preparing a meal for a new mom in the throes of postpartum, helping with yardwork for a fellow parishioner recovering from surgery, or helping gather classroom supplies for a teacher serving in an impoverished district. In these simple yet concrete ways, we manifest the abundance of God's care and concern for each and every person.
