Our Gospel speaks about moments where members of the Church help one another to recognize and turn away from sin. Each of us will have moments in

which we need to be reminded of God's commands and called to conversion. In those moments, we can give powerful witness to Christ by receiving the truth with humility and allowing ourselves to be led back to the loving arms of the Good Shepherd. Acceptance of our own shortcomings and flaws can be an opportunity to recognize that we are not the agents of our own salvation. Then, by seeking the love and forgiveness of God – especially in the sacrament of reconciliation – we show, by our example, that all people are called to be reconciled with our Lord so that we may live together in the fullness of his glory for all eternity.
