Our Gospel today offers a parable of individuals (wise virgins) who are ready to wake up at midnight to meet the Lord when he comes. But not everyone in the parable is so prepared. Upon discovering they would not have enough oil, the foolish virgins ask the wise ones to share theirs. The wise virgins say no, telling them to go and buy some for themselves. At first glance, one may wonder why the wise virgins wouldn't share theirs. Are they being selfish? But another important detail in the text gives us further perspective: we read that the bridegroom was "long delayed" in his return. What this suggests is that the foolish virgins had all the time in the world to go and buy the oil they needed. And yet they procrastinated doing the one thing necessary to be ready when the bridegroom arrived. Through the years, the Church has read this text as a reminder that we can't put off conversion, deluding ourselves into thinking that we still have time to get right with God. In reality, the time for repentance is now.
