The talents in the Gospel are coins, but we know that God gives us many good gifts, both physical and spiritual. God expects us to use these gifts, and if we use them in the way he intends, he will surely multiply them. When we live as the people whom God created us to be, we share our gifts and also recognize the gifts of others, thereby returning our gifts to the Lord and building up the Body of Christ. When our interactions with others reveal God's love and encourage them to love others better in return, the love of God multiplies. God's love fills us, flows from us, and ripples out into the world through others. In doing so, we reveal ourselves to be "children of the light" and have hope that we will be welcomed into the eternal joy of heaven.
